Education

- 2025 – **B.Sc., McGill University** Honours Biological Physics.
Courses: PHYS 257 + 258 Experimental Methods I + II; PHYS 251 Honours Classical Mechanics
- 2023 – 2025 **DCS, Dawson College** Enriched Pure and Applied Science.
Courses: Discrete Mathematics; Probability and Statistics

Employment History

- JUL 2026 – **Electrochemistry Lab Assistant.** Énergie Matériaux Télécommunications Research Centre, Institut national de recherche scientifique (INRS) .
- MAY 2026 – JUN 2026 **Organic Synthesis Lab Assistant.** Centre d'excellence en électrification des transports et en stockage d'énergie (CEETSE), Hydro-Québec .
- JUN 2024 – AUG 2025 **Animateur d'un camp d'été / Summer Camp Counselor.** Camp CELO.
- SEP 2024 – MAY 2025 **Peer Tutor in Math and Science Courses.** Dawson College.

Volunteering History

- JAN 2023 – JUN 2023 **Tuteur de maths et d'anglais / Peer Tutor in Math and English.** École FACE.
- MAR 2022 – JUN 2023 **Tuteur pour violon / Violin Tutor.** École FACE.
- JAN 2020 – MAR 2020 **Assistant Theatre Instructor.** Segal Centre for Performing Arts.

Research Publications

- 1 L. Filippi, G. H. Nguyen, T. Robinson, A. Torres, and J. K. L. Eng, "Modeling plant growth based on leaf area, energy flux, and photosynthetic efficiency," *Dawson Research Journal of Experimental Science*, vol. 15, no. 1, pp. 15–20, Apr. 2025.
- 2 T. Robinson, X. Hou, and L. Bleibel, "The effect of specific ambient air pollutants on breast cancer incidence across us counties," *Dawson Research Journal of Experimental Science*, vol. 15, no. 1, pp. 38–53, Apr. 2025.
- 3 T. Robinson, X. Hou, and L. Bleibel, "The effect of specific ambient air pollutants on breast cancer incidence across us counties," *Youreka Canada Journal*, vol. 1, no. 1, pp. 8–14, Nov. 2024.

Skills

- Languages **Strong reading, writing and speaking competencies for English and French.**
- Coding **Python, R, $\LaTeX$.**
- Laboratory **Hands-on experience with glove boxes, micropipettes, light microscopes, NMR spectroscopy, column chromatography, inert atmosphere chemical reactions, preparation and manipulation of membranes, . . .**

Awards and Achievements

- 2025 **Governor General's Collegiate Bronze Medal.** Awarded by Dawson College.
- 2024 **First place at the Youreka Canada National Research Symposium** .
- 2023 **Governor General's Secondary Bronze Medal.** Awarded by École FACE.
